«Dios ha muerto! ¡Dios sigue muerto! ¡Y nosotros lo hemos matado! ¿Cómo nos consolaremos los asesinos de todos los asesinos? Lo más sagrado y lo más poderoso que hasta ahora poseía el mundo, sangra bajo nuestros cuchillos -¿quién nos enjugará esta sangre? ¿Con que agua lustral podemos limpiarnos? ¿Qué fiestas expiatorias, qué juegos sagrados tendremos que inventar? ¿No es la grandeza de este hecho demasiado grande para nosotros? ¿No hemos de convertirnos nosotros mismos en dioses, solo para estar a su altura? ¿No hubo un dios más grande -todo aquel que nació después de nosotros pertenecerá a él?»
