自身と向き合って出会う、内に秘められた感情...

自身と向き合って出会う、内に秘められた感情...

「Encounter with Myself(自分自身との出会い)」 Lula.

自身を発見する新しいライフステージや、自己との出会い、因縁、ローラーコースターのような感情を抽象的に表現したいという想いから制作を行いました。

過去や純粋な自我を感じる瞬間。ドアを開けては閉める瞬間。
自分自身を磨やするのはあなただけなのです。
モデルのMilo Katarinaは特別で、最初からそのような在り方を表現する方法を知っていました。

この作品は、まだ誕生していないけれど少しずつ咲いていく花のように、私が身を離して来た場所で数ヶ月にわたり制作されたものです。
写真はアナログで、光と洋服の色によりその感情をうまく表現したかったので、Alba Ocañaをスタイリストに選びました。

In this editorial I wanted to express the new life stage in which I find myself and the encounter with myself, loneliness, and emotions like roller coaster in some abstract way.

The moment to feel the past and inner child, to open doors and then close them.
Heal yourself. Only you can do it for yourself.
The model Milo Katarina was exceptional that she knew how to express such a way of being from the minute one.

This editorial was created for these months in the place I have sheltered myself like a flower that has not been born yet but is finally blooming little by little.
These photographs are analog, and I wanted to represent the feeling well with the light and colors of clothes so that I chose Alba Ocaña as a stylist.
