

# Daylight

Andrea Deroy

Long story short,  
i survived

What if  
I fall?

Oh,  
but my  
darling,

what if  
you fly?

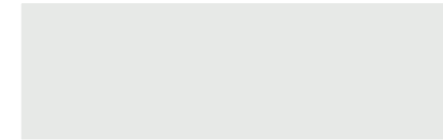

OMNIBUS ABERDEEN 15

1800-1844), Scottish physician and poet. He was born in Edinburgh in 1781, and died in London in 1844. He was a member of the Edinburgh Medical Society, and a physician to the Edinburgh Dispensary. He was also a poet, and his poems were published in the Edinburgh Review, and the Edinburgh Magazine. He was a friend of Robert Burns, and a member of the Edinburgh Society of Antiquaries. He was a member of the Edinburgh Medical Society, and a physician to the Edinburgh Dispensary. He was also a poet, and his poems were published in the Edinburgh Review, and the Edinburgh Magazine. He was a friend of Robert Burns, and a member of the Edinburgh Society of Antiquaries.

Aberdeen, the chief city and port of Scotland, situated on the north coast of the Firth of Clyde, 120 miles north of Glasgow, and 100 miles west of London. It is one of the largest cities in Scotland, and is the seat of the University of Aberdeen. It is a city of great antiquity, and has a long and interesting history. It was founded by the Picts, and was one of the chief cities of the kingdom of Scotland. It was captured by the English in 1309, and was the scene of a famous battle. It was the seat of the Scottish monarchy from 1309 to 1329, and was the residence of King Robert Bruce. It was the scene of the death of King James I in 1437, and of the death of King James IV in 1513. It was the scene of the death of King James VI in 1603, and of the death of King Charles I in 1633. It was the scene of the death of King James VII in 1702, and of the death of King George I in 1727. It was the scene of the death of King George II in 1760, and of the death of King George III in 1801. It was the scene of the death of King George IV in 1830, and of the death of King William IV in 1837. It was the scene of the death of King Victoria in 1901, and of the death of King Edward VII in 1910. It was the scene of the death of King George V in 1936, and of the death of King George VI in 1952. It was the scene of the death of Queen Elizabeth II in 2022.
