Idea
for shoes

light
pink
pink

holes that represent the un finish, and no side seams to represent process.

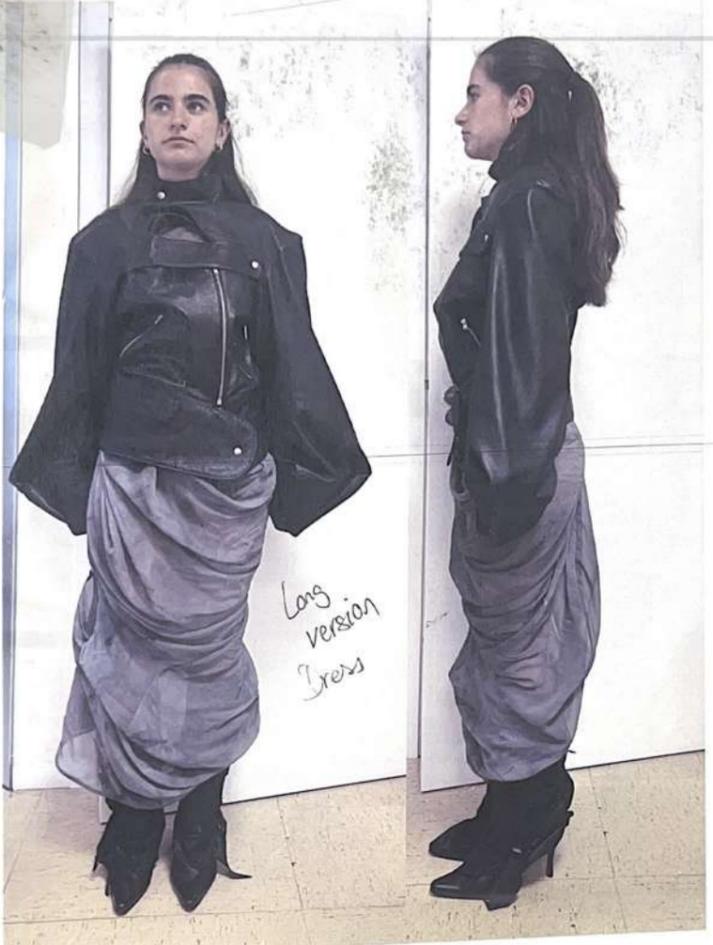

straps to create baggy effect

↳ different sizes of flaps; same shape

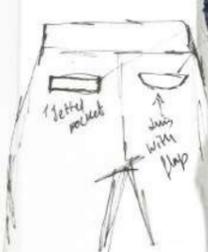

Curved Zipper

Long Version Dress

create more contrast

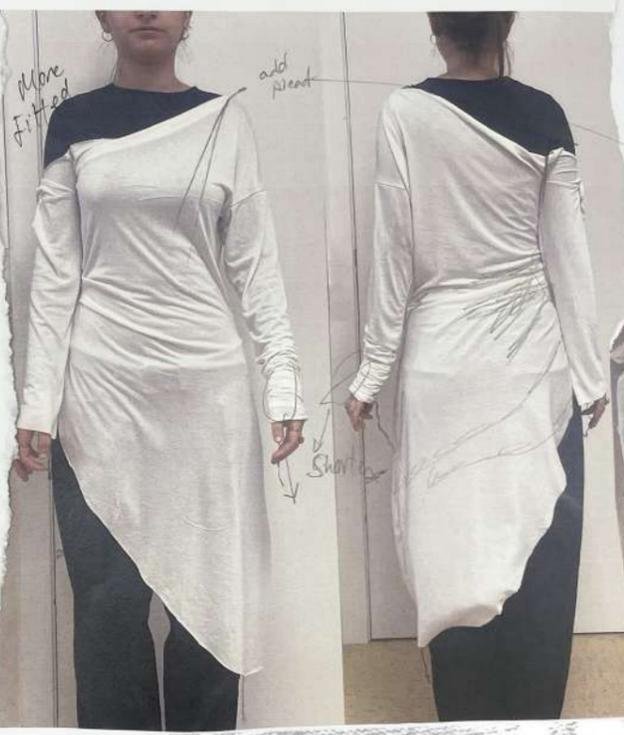

two different pockets

Idea of print

the crystal represents the clarity and the way light passes - resembling the diamond

More Fitted

add present

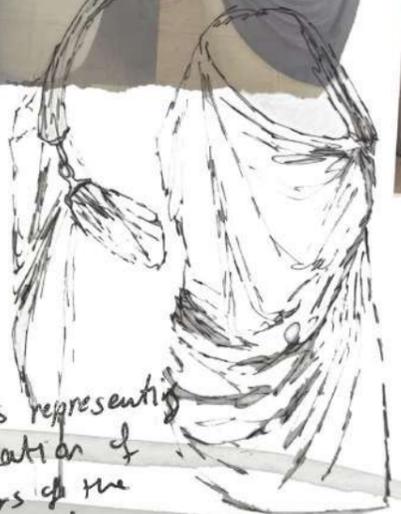

Show

Shoes will have Manipulation

Missing shoulder → hand painted representing the dirtiness of the carbon

draped pants representing the accumulation of fabric - layers of the transformation.

same structure with the leather

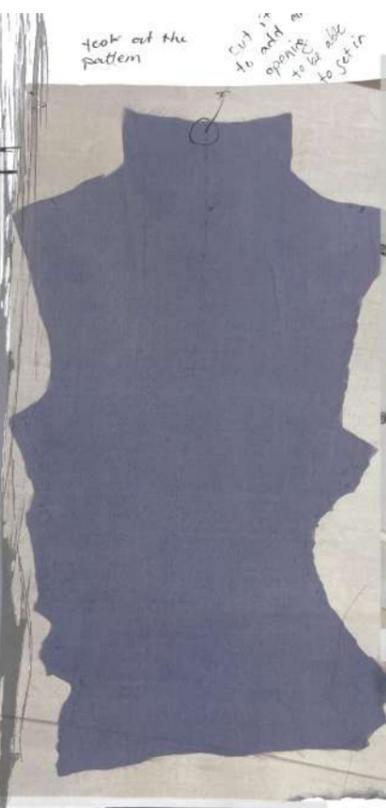

APAGA LA LARCHA

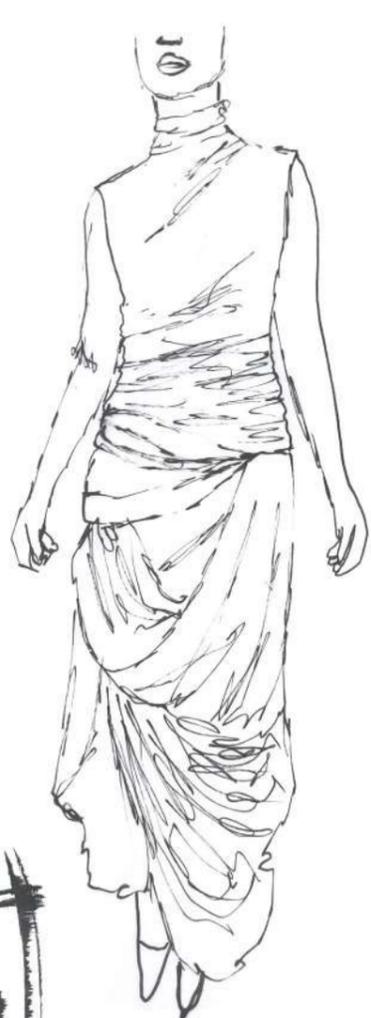

Upper part of the bodice with the waist

Need to add a class to the dress

Heat out the pattern
Cut in to add a opening to be able to get in

inside looking

collage inspo for jacket

Combination of digital and print and hand print

hold pinning

finishing back zipper of seam and zipper side of seam

Heritage

Diamante y Brillante was created by my grandmother, a lifelong herbalist who believed deeply in the healing power of nature. Her connection to plants and minerals, and her passion for transformation through the earth's elements, became a legacy passed down through generations, shaping how we live, think, and create.
